

Section 1557 of the Affordable Care Act Grievance Procedure

Statement

It is the policy of Nurses In Touch, Inc., dba Nurses In Touch Home Health and Nurses In Touch Community Hospice, hereafter referred to as "NIT", not to discriminate on the basis of race, color, national origin, sex, age or disability. NIT has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 of the Affordable Care Act (42 U.S.C. §18116) and its implementing regulations at 45 C.F.R. pt. 92, issued by the U.S. Department of Health and Human Services. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age or disability in certain health programs and activities. Section 1557 and its implementing regulations may be examined in the office of Sharmane Gass, NIT's Section 1557 Compliance Coordinator, 1815 10th Street, Floresville, Texas 78114, telephone number 830-216-7111, fax number 830-216-7115, sharmaneg@nursesintouch.com. She has been designated to coordinate the efforts of NIT to comply with Section 1557.

Any person who believes someone has been subjected to discrimination on the basis of race, color, national origin, sex, age or disability may file a grievance under this procedure. It is against the law for NIT to retaliate against anyone who opposes discrimination, files a grievance, or participates in the investigation of a grievance.

Procedure

- ° Grievances must be submitted to the Section 1557 Coordinator within sixty days (60 days) of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- ° A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- ° The Section 1557 Coordinator (or her designee) shall conduct an investigation of the complaint. This investigation may be informal, but it will be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 1557 Coordinator will maintain the files and records of NIT relating to such grievances. To the extent possible, and in accordance with applicable law, the Section 1557 Coordinator will take appropriate steps to preserve the confidentiality of files and records relating to grievances and will share them only with those who have a need to know.
- ° The Section 1557 Coordinator will issue a written decision on the grievance, based on a preponderance of the evidence, no later than 30 days after its filing, including a notice to the complainant of their right to pursue further administrative or legal remedies.
- ° The person filing the grievance may appeal the decision of the Section 1557 Coordinator by writing to the Administrator/President of Nurses In Touch, Inc., Mary Helen Tieken, RN, BSN, within 15 days of receiving the Section 1557 Coordinator's decision. The Administrator shall issue a written decision in response to the appeal no later than 30 days after its filing.

The availability and use of this grievance procedure does not prevent a person from pursuing other legal or administrative remedies, including filing a complaint of discrimination on the basis of race, color, national origin, sex, age or disability in court or with the U.S. Department of Health and Human Services, Office for Civil Rights. A person file a complaint of discrimination electronically through the office for Civil Rights Complaint Portal, which is available at:

Such arrangements may include, but are not limited to, providing qualified interpreters, providing taped cassettes of material for individuals with low vision, or assuring a barrier-free location for the proceedings.
